

EU- INTERNATIONAL PROJECTS OFFICE– MUNICIPALITY OF PADUA

The EU-International Projects Office promotes and encourages the participation of the Municipality of Padua in European, national and regional calls for proposals aiming to enable the local authority to intercept funds for strategic projects.

The Office carries out the following main activities:

- Research and analysis of funding opportunities of interest to the Municipality departments;
- Provide assistance in drafting proposals and financial reporting;
- Assistance to municipal departments in the implementation of financed projects.

The ultimate goal is to develop policies and projects in favour of the strategic development of the municipal area, increasing the resources available in its territory, improving the quality of services offered and contributing to the local innovation.
